MEMORANDUM FOR THE DIRECTOR

SUBJECT: Recent CIA Publicity

1. I have read your memorandum of 13 January and have expanded thereon with some of my own views as contained in my attached memorandum of 14 January.
2. There is also circulating a memorandum by Mr. Cline explaining his motivations in the actions he took. It has been routed to you.
3. I think we have enough post mortems on this particular flap and suggest we all dig in with a stronger posture of status quo ante as defined in the memorandum I have asked you to sign today.

Marshall S. Carter
Lieutenant General, USA
Deputy Director
